RIDGEVIEW OAK RESERVE 75

With careful use of oak-aged Chardonnay, we have created a Ridgeview barrel-fermented sparkling wine. Some of the very best Chardonnay grapes were selected from our home vineyard in Ditchling, across three exceptional vintages.

"I have always loved what delicate oak can bring to Chardonnay and this project has allowed me to explore the creaminess from the oak, in harmony with our normal fresh fruit style. I think this is one of the most exciting wines that we have released."

Simon Roberts, Ridgeview Director of Winemaking
